MyClinic

EXPERIENCE LETTER

Date: October 09, 2026

TO WHOM IT MAY CONCERN

This is to certify that Piyush Sonawane successfully completed a 3-month internship as a So ware Product Engineering Intern at MyClinic from June 9, 2026 to September 9, 2026.

During this period, Piyush contributed to the design and development of platform features. Key responsibilities included writing clean, maintainable code, testing features, and fixing bugs alongside engineering leads.

Piyush demonstrated strong technical skills, problem-solving ability, and dedication throughout the tenure. We appreciate their contributions to MyClinic and wish them success in their future endeavours.

Sincerely,

MCMH HealthTech Solutions
